Why Take A Foreign Language?

- Improve your knowledge of English vocabulary & grammar.
- Improve your ACT/SAT scores.
- Improve test scores in other courses, especially Math.
- Improve your chances of getting into the college of your choice.
- Make yourself a successfully competitive college student.
- Take advantage of the opportunity to travel to France, Germany or Mexico!
- Learning a new language opens your eyes to new experiences you never imagined before.
- All students taking any Accelerated or College Prep courses

Who Should Who Should Take A Foreign Language?

- All students reading at grade level
- Any student who even thinks they might go to college

Why Start A Foreign Language In 9th Grade?

- Because doing so allows you the option of taking the 3rd & 4th year of your chosen language.

These upper level courses are grade-weighted like AP courses. This means you'll have a higher GPA when you graduate!

- The younger you are, the easier it is to learn a new language.
- Learning about different countries' foods & customs is fun!

What's It Like To Learn A New Language?

- Practice speaking your new language every day with a classmate.
- It's unique, unlike anything you've ever studied before.

State Universities:

- Did you know that most state universities require 2 years of Foreign Language study in high school?
